

SUPPLEMENTAL DECLARATION OF RICKY BONVILLE

I, RICKY, BONVILLE, declare:

that I previously gave a declaration on behalf of Jeffrey Burks wherein I thought I made clear that Burks was not involved in the murder of Edward Brooks;

that I have been informed by Burks attorney, Marilee Marshall, that a court, in ruling on Burks writ, said that the declaration does not state that petitioner [Burks] was not involved in the murder of Brooks;

that I want to make perfectly clear that I fully intended to state in my last declaration and have consistently attempted to state with absolute clarity that Burks was not in anyway involved in the murder of Brooks;

The above facts are true and correct.

Executed under penalty of perjury this 3rd day of March at Los Angeles, California.
