Dear Ms. Nathan:

Following our conversation on Monday, December 9, 2002, I conducted a search for all available evidence related to the 1984 Burkes case. I was unable to locate any information or evidence apart from the incident report itself. As indicated in a letter dated November 12, 2002 to you from Warden Diana K. Butler, it appears that the weapons and evidence has been destroyed.

Should you have any questions, please contact me at [REDACTED]

Sincerely,

A handwritten signature in black ink, appearing to read "A.E. Baber".
